Processing of [REDACTED]

1. Attached is a set of application papers from Subject, lacking only the Attorney General's List (Appendix I), which I have requested be forwarded immediately to you.

2. Subject is highly recommended by the Director of Training and [REDACTED], who saw him in [REDACTED] and suggested that he apply with us.

3. In order that we may be in a position to employ Subject at the earliest possible moment after the completion of his naval tour of duty in May 1956, it is requested that action be initiated immediately to bring [REDACTED] on board at GS-9. The question of his qualification for this grade is still to be determined, as also is that of his willingness to accept it. I feel, however, that we can work out this problem satisfactorily after he arrives. Because of the high recommendation by [REDACTED] and his personal interest in this case, I feel that we are justified in proceeding in this manner. The second PHS should be forwarded to [REDACTED] to facilitate security clearance.
